

## EMPLOYMENT OPPORTUNITY

### Production Manager Sub Assembly Cell - Permanent

Temperzone is a leading manufacturer, distributor of innovative air conditioning and ventilation products throughout Australasia, Southeast Asia, and China. We are also the exclusive distributor of Hitachi Cooling & Heating products within Australia and New Zealand. We have evolved through an ongoing commitment to best manufacturing practices, innovative design, customer service, and technology for quality delivery.

#### About the role

The primary purpose of this role is to manage and lead the production teams to deliver the set production objectives, aligning with the company's strategy, by developing the people, allocating suitable resources, and improving current practices. The role is also responsible for continuous improvement production projects and the implementation and maintenance of 5s. The role covers all sub-assembly areas including, LSM/Folding, Cut and Punch, Custom Fabrication, Coating Cell, Header Shop and Coil Shop.

#### What you will bring to the role

To be successful in this role you will be a self-starter who is familiar with a variety of manufacturing management experience preferred in a heavy manufacturing environment (eg: sheetmetal and machinery manufacturing). You will have thorough understanding and skills in CNC programming and system approach toward manufacturing management and knowledge and skills of advanced manufacturing is an advantage.

Your ability to think creatively, adapt to evolving situations, and lead a team is the key to succeed in this role, as is your ability to follow standard procedures and processes and suggest necessary improvements.

This role is a full-time position working 40 hours per week Monday to Friday.

#### What we can offer

We are a close-knit team which offers a supportive environment, free on-site parking, onsite café and well as opportunities for development. This role would be ideal for someone who has ambition to advance their career in manufacturing leadership.

At Temperzone we believe that our people are our strength so it's important to us to have the right people in the right roles to move us into the future. Does this sound like the next step in your career? Click 'Apply' now!
